

Stargate Fundraising Gala 2018

“Around the World with Stargate”

Dear Parents:

Fundraising efforts, like our annual fundraising gala, help Stargate continue its mission of being a leading educational catalyst for intellectually gifted students to reach their full potential. The annual Stargate Gala is scheduled for Saturday, March 10, 2018 at The Omni Interlocken Resort in Broomfield, CO. Each class is responsible for contributing a basket and/or art project for the Silent Auction.

If you have a clever idea for your student's class basket, please reach out to your teacher or classroom parent. If you have a vacation home you would be willing to donate, sports tickets, season passes etc., please talk with your teacher or classroom parent.

Once a theme is chosen for your student's class, it is up to the parents of that class to volunteer and donate their time, energy and money to make a great basket to raise as much money at the Gala as we can.

If you have questions, suggestions, ideas or other donations, please feel free to contact me directly or your classroom parent.

Thank you in advance for your participation and donations. The Fundraising Committee hopes you'll join us at the gala.

Sincerely,

Becca Jazmines – Stargate Fundraising Committee, Class Basket Coordinator
