

Superior Instruction: Recruit, retain and invest in developing the best teachers.

Engaged Community: Foster a unified and involved community of students, parents, teachers, staff, businesses and institutions.

Responsible Governance: Create a governance framework that delivers consistent results and supports the school administration.

Quality Learning Environment: Provide students with a safe environment that encourages experimentation and nurtures their gifts.

Financial Stability: Ensure long-term viability of the school and invest for future growth opportunities.

Stargate's Mission

Stargate School will provide a differentiated program designed specifically to meet the needs of identified intellectually gifted learners in order to challenge each student's academic abilities, support their unique emotional needs, promote individual character development and encourage a life-long love of learning.

Future Expansion

The Stargate Way

As Stargate expands to K-12, our core beliefs and values are unwavering:

- The gifted solution all day every day
- Superior instruction based on gifted best practices
- Learning environment dedicated to students educated at their ability level through 12th grade
- Experiential learning/Passion Projects/Advanced Learning Plans
- Continued focus on character development and social/emotional support
- Small class sizes
- Engaged parents and community
- Award-winning achievement

We are the Gifted Solution

Expansion Schedule

Currently our student enrollment is 648. Annually we have well over 100 students who qualify for K-8 admission, but are not admitted due to limited availability. Furthermore, in an effort to be responsive to the gifted community there is a need for a gifted high school. Below is our two year growth plan for expansion into a K-12 school.
